Smart India Hackathon is a nationwide initiative to provide students with a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. The previous editions, i.e., SIH2017, SIH2018, SIH2019, SIH2020 and SIH2022 proved to be extremely successful in promoting innovation out-of-the-box thinking in young minds, especially engineering students from across India. Its World's biggest open platform for the innovators or entrepreneurs towards a smarter India.

Problems are offered by organizations are from 2 major domains, i.e., from hardware section and other from software section. Problem statements are submitted by Central &State Ministries, Departments, PSUs, Industries & NGOs. Hence, it is the golden opportunity for the students to showcase their technological potential on national level.

In continuation to **SLIET/IIC/2023/111-18** dated 13.09.2023 (Call for Project Proposals), all the students are encouraged to participate in this esteemed event. Participations are invited as per following schedule:

Last date for submitting ideas: 25th September 2023 (Monday)

Presentation date: 26th and 27th September 2023 (Tuesday and Wednesday)

Ideas are to be submitted in the format attached, along with a Power point presentation (for format, refer www.sih.gov.in). The major indices on which the ideas are to be judged are: Understanding of the problem, Solution Feasibility, Project planning, Solution completeness, Presentation, Team cohesiveness, Novelty, Usage of open-source content (guidelines attached)
